VACANCY NOTICE

CHILD & ADOLESCENT BEHAVIORAL HEALTH

Position Available: Trauma Informed Day Treatment Therapist

Day Treatment is an intensive mental/emotional/behavioral health program where every school day youth receive two hours of group therapy, individual therapy as needed, and regularly scheduled family therapy in addition to all core academics. This schedule follows the typical school year schedule. During summer months, there are no academics and therapists are expected to provide group, individual and family therapy.

JOB DUTIES/DESCRIPTION:

A team member to provide clinical leadership in the classroom, individual, group and family therapy for youth, grades 3rd-6th experiencing severe emotional and behavioral disturbances as a result of trauma history. Other job duties include but are not limited to the following:

• Classroom consultation and spending time in the classroom
• Working closely with the classroom and program staff
• Providing some, not all, (family) therapy sessions in the natural environment
• Building and maintaining relationship with youth
• Behavior management and de-escalation skills (annual training will occur)
• Strong teamwork, verbal and written communication, and listening skills
• Computer skills (Electronic Health Records)
• 2.5 hours of group therapy daily (experiential preferred) and can be broken up into two smaller segments
• Individual therapy (trauma informed care) and family therapy.
• Working one-two evenings/week
• Prompt and timely submission of progress notes (24-48 hour turnaround time)
• Developing and reviewing individual treatment/service plans
• Completing required agency documentation (clinical and other)
• Attending required agency trainings and other trainings requested/recommended by administration
• Complete outcome measures
• Meeting or exceeding minimum productivity expectations as defined by the TIDTx Therapist contract
• Physical abilities include but may not be limited to the following: sitting (including on the floor), standing, crouching, kneeling, pushing, pulling, lifting, carrying, stooping, playing, walking, physically holding youth (annual training will occur)

SKILLS AND EXPERIENCE:

• The therapist has experience/skill or is working to obtain skills in working with a variety of special populations including early childhood, traumatized and victimized children & youth, chronic & severely emotionally/behaviorally impaired, youth and family with substance use disorders.
• The therapist is trained and/or certified in or is working to be trained/certified in Trauma Focused Cognitive Behavioral Therapy and/or SITCAP.
• The therapist has the ability to engage a wide range of clients and parents, including those from diverse populations, and those uncertain about the value and/or necessity of MH services.
• The therapist has the ability to work effectively with other professionals both within and outside the mental health profession.
• The therapist has experience/skill or willingness to obtain skills in applicable modalities and interventions, including, but not limited to, evidenced-based/evidenced-informed practices as required.
• The therapist has training and practice experience that is “trauma-informed” as well as background in such approaches as Feedback Informed Treatment or modalities such as, Motivational Interviewing, DBT, and others matched to our population are valuable.
• The therapist has the ability to effectively and efficiently learn and use C&A’s electronic health records system.
• The therapist is culturally competent and willing to work with clients and families within various and diverse populations.

Qualifications:
• The therapist is Licensed in the state of Ohio to provide assessment and therapy via the Ohio Counselor, Social Worker, and Marriage and Family Therapist Board or the Ohio Board of Psychology. The therapist possess at least a Master’s Degree(s) in Counseling, Social Work, or the equivalent.

The Therapist will maintain a current License through the therapist’s appropriate licensure board (as a Counselor, Social Worker, Psychologist) in the State of Ohio as well as attend all required trainings to satisfy C&A requirements.

Salary Range/Compensation:  Based upon licensure status and direct care hours provided.

Hours:  Full-time positions available. Some evening (and possibly Saturday) hours required.
