

**JOB POSTING: School Based Mental Health Provider – Licensed Professional Counselor/Social Worker**

CommQuest Services is currently seeking *Licensed Professional Counselors* for our **School Based Mental Health (SBMH) Provider Team** to deliver services in assigned schools for the upcoming 2018-2019 school year. The School Based Mental Health Consultant is a mental health professional who lends their expertise to the behavioral needs of the school environment. This position provides coordination, development, and leadership toward an integrated continuum of care that addresses the barriers to learning and leads to improved behavioral and academic outcomes for identified students at an identified school site. This position provides consultation and education to school staff and on-site community providers toward best practice positive development and behavioral interventions for students. This position is responsible for participating in and/or facilitating a multidisciplinary group of on-site professionals toward outcome focused behavioral planning, referrals/connections, and monitoring of identified students. This position will assist in the implementation of a tracking/data collection system to monitor and track progress and outcomes of the students served. This position includes providing billable diagnostic assessments and mental health treatment for identified students, and, at times, may require the assessment of crisis situations and the determination of immediate interventions to preclude further escalation/complication of the situation.

**Minimum Requirements:**

Applicant must hold a minimum of a Master's degree in Social Work, Counseling, or Psychology. In addition, a State of Ohio license issues from the Counselor, Social Worker, and Marriage and Family Therapist Board (OCSWMFTB) is required. Registration as a Counselor-Trainee or Social Work-Trainee is acceptable. As a Trainee there is an understanding that the individual will continue to remain enrolled in a Master's level Clinical Counseling or Social Work program and be registered with OCSWMFTB as a Trainee. Strong time management, organizational, and engagement/interpersonal skills are a must. Minimum experience of two or more years' post licensure experience is highly preferred. Position requires routine evening hours and a willingness to allow some flexibility in scheduling a caseload. Valid Ohio DL required.

**School Based Mental Health Assignment Terms:**

School Based Mental Health Counselors/Social Workers will be assigned to one or more K-12 schools and are expected to work a 40 hour work-week (if full-time), for a total of 1,560 work hours during the annual contract period. Work schedule must meet the position requirements and match the assigned school(s) calendars, (required student-days plus staff days and preparation) for a total of 40 weeks, with scheduled school breaks (summer, holiday and spring), and no additional earned PTO (paid-time off). In addition, Counselors/Social Workers are required to work prior to the beginning of the school year, and after the completion of the school year until a total of 1,560 work hours and required productivity targets are met.
