

About StarkMHAR

A multi-faceted county behavioral health board comprised of expert professionals, dedicated volunteers and concerned community leaders, Stark County Mental Health & Addiction Recovery (StarkMHAR) believes in hope, wellness and recovery for everyone. To accomplish this vision, the mission of StarkMHAR is to support wellness and recovery through innovation in funding, collaboration, education and advocacy. StarkMHAR is empowered by the State of Ohio to plan, develop, fund, manage and evaluate community-based mental health and addiction services. Federal, state and local funds are utilized to ensure mental health and addiction prevention, treatment and recovery support services are available to individuals and families in Stark County.

VISION: Hope, wellness and recovery for everyone.

MISSION: StarkMHAR supports wellness and recovery through innovation in funding, collaboration, education and advocacy.

CORE VALUES: To carry out its mission and vision, StarkMHAR is committed to the following core values.

1. **A Belief in Wellness and Recovery** – We support the highest level of trauma-informed care individualized to each client.
2. **Professionalism and Integrity** – We are a trained, professional and qualified team making decisions based on data and emerging needs.
3. **Good Stewards of the Public’s Trust and Funds** – We are accountable to the community and funders for the most cost-effective care selected through competitive grant cycles.
4. **Leadership through Collaborations and Partnerships** – We strive to be thought leaders and conveners of various community-based systems and professionals.
5. **Inclusion** – We engage diverse partners to reflect consumer voice and community needs with cultural and linguistic competence.
6. **Innovation and Creativity** – We fund and promote evidence-based practices and pilot projects which foster new models of service delivery.

GOALS: The StarkMHAR Strategic Plan for 2017-2021 includes the following goals.

- Expand and diversify services throughout the county
- Create a resiliency and recovery oriented system of care
- Integrate physical and behavioral health to improve health outcomes
- Improve behavioral health services for justice-involved clients
- Promote strategic system efficiencies and workforce capacity
- Build upon and enhance public awareness of behavioral health as essential to community health

www.starkfamilycouncil.org (to learn more about complete services)

Serving Stark: Children (0 to 18), Young Adults (18-21)

Description: The Stark County Family Council works to build a quality system of care for families with children aged birth through 21 years through coordinating systems and services (at both the macro and micro levels), engaging and empowering families and building community capacity. To that end, High Fidelity Wraparound is a service planning and coordination process that brings everyone (e.g., school personnel, probation officers, counselors, pastors and any other identified natural supports) to the same planning table for individual youth with complex needs and/or who are at risk for out-of-home placement to help the youth/young adult and family succeed. The Wraparound team meets on a regular basis and works together to assess progress and make any necessary changes to the plan of care, based on needs being met. The Wraparound program is funded by Stark County Mental Health & Addiction Recovery, Stark County Family Court, Stark County Job and Family Services and Stark County Board of Developmental Disabilities. In-kind support is provided by the Stark County Educational Service Center. Stark County Family Council contracts with CommQuest Services to deliver the High Fidelity Wraparound program.

StarkMHAR funded services offered: High Fidelity Wraparound. In addition, while the Stark County Family Council is not a provider of direct services, it is a cross-system planning body that meets on a regular basis to help build Stark County's capacity to coordinate systems and services at both the macro and micro levels.

Payment/insurance accepted: Accepts clients regardless of ability to pay

Additional On-site Language Competency: Interpreters for sign language and Spanish-speaking individuals are available within the CommQuest Services team.
