

Heart of Stark: Canton Rotary Club gift helps Stark MHAR fulfill mission

By Special to The Canton Repository

Posted Sep 24, 2018 at 6:35 AM

In partnership with The Canton Repository, every week the Stark Community Foundation is highlighting positive happenings in our community. Here's to a Good News Monday!

- Congratulations to the inaugural recipients of the Canton Repository's Moving Our Community Forward awards: **Mary Beddell, Thomas Bernabei, Maria Heege, Ed Roth, Dennis Saunier, Betty Smith, Kevin Smith** and the **Timken Foundation of Canton**. Your dedication to bettering and strengthening Stark County is inspiring.
- The **Canton Rotary Club** continues to support local causes in the community, including most recently a gift of \$5,000 to benefit the Suicide Prevention Coalition through Stark County Mental Health and Addiction Recovery.
- Construction is well underway on the new offices for the law firm **Buckingham, Doolittle & Burroughs** on Munson Avenue NW in Jackson Township.
- We're encouraged by the continued conversation and collaboration to create a healthy, equitable and sustainable local food system. The new **Stark County Food Council** is bringing together a wide array of community partners, including representatives from food production, processing, distribution, access, consumption and waste recovery.

Stark Community Foundation is the community's trusted partner in giving to nearly 750 individuals, families, businesses and nonprofits that have created charitable funds to impact the lives of others through the most effective philanthropy possible. The Foundation and its family of donors have granted nearly \$160 million to nonprofits since
