In partnership with The Canton Repository, every week the Stark Community Foundation is highlighting positive happenings in our community. Here's to a Good News Monday!

- Stark County's own **Royal Docks Brewing Co.** has opened a new location at the **Akron-Canton Airport**, providing local residents and travelers a place to grab a beverage and a bite to eat.
- In honor of **Domestic Violence Awareness Month** in October, **Dillard's** donated nearly 50 undergarments to benefit area women at **Domestic Violence Project, Inc.**
- The **Mindfulness Walk** at Petros Lake Park, a collaboration between **Stark County Mental Health and Addiction Recovery** and **Stark Parks**, was recently named the top Capital Improvement Project in Ohio by the Ohio Parks and Recreation Association.
