Job Posting: School Based Mental Health Provider

CommQuest is currently seeking a Licensed Provider for our School Based Mental Health (SBMH) Provider Team. The Licensed Provider will deliver services in assigned K-12 school(s), lending their expertise to the behavioral needs of the school environment. The Licensed Providers will provide counseling services consisting of assessing a client’s reasons for engaging services and mutually developing a course of treatment to address the needs as expressed by the client to achieve more effective personal, social, educational, and/or career development adjustment.

Job Duties include:

- Provides coordination, development, and leadership toward an integrated continuum of care.
- Addresses barriers to learning and leads to improved behavioral and academic outcomes for students.
- Provides strength-based counseling interventions, working with clients in achieving goals and objectives.
- Builds strong relationships and relationship skills with school staff, students, families, and community partners.
- Develops treatment and discharge plans.
- Provides behavioral and mental health consultation and education to school staff, as needed.
- Provides crisis intervention and counseling.
- Provides individual and/or group counseling.
- All other duties as assigned.

Minimum Qualifications:

- Minimum of a Master’s degree in Social Work, Counseling or related field is required.
- State of Ohio license issued from the OCSWMFTB is required, minimum of LPC or LSW.
- Those registered as a Counselor-Trainee or Social Work-Trainee may be considered with previous experience in the field. Must remain enrolled in a Master’s level Clinical Counseling or Social Work program and be registered with OCSWMFTB as a Trainee.
- Strong time management, organizational, and engagement/interpersonal skills are a must.
- Minimum of two or more years’ post licensure experience is highly preferred.
- Position required routine evening hours and a willingness to allow some flexibility in scheduling a caseload.
School Based Mental Health Assignment Terms:

- SBMH Providers will be assigned to one or more K-12 school and are expected to work a 40-hour work week.
- Must meet a total of 1,560 work hours during the annual contract period (school year).
- Work schedule must meet the position requirement and match the assigned school(s) calendars (required student-days plus staff days and preparation) for a total of 40 weeks, with scheduled school breaks (summer, holiday, and spring), and no additional earned PTO (paid-time off).
- In addition, Providers are required to work prior to the beginning of the school year, and after the completion of the school year until a total of 1,560 work hours and productivity targets are met.
- Each SBMH provider must attain a minimum of 680 billable units per school year, including consultation, outreach, treatment, or other billable assigned services.

School Based Mental Health Full Time Benefits:

- Health, Dental, Vision insurance, etc. – eligible first of the month following start date
- Ten paid holidays on an annual basis
- Mental health days and sick time
- CommQuest 403b with employer match
- Eligible for productivity bonuses and CEU reimbursement
