## Child & Adolescent Behavioral Health

### Part-Time Clinical Therapist

✦ **Signing Bonus available for New Part-Time Clinical Therapists**

#### Overview

Now more than ever, mental and behavioral health care for kids is needed in our community. Child & Adolescent Behavioral Health is looking to meet the growing demands by hiring part-time fee-for-service clinical therapists.

As a member of our team, you will help children, youth and families successfully meet life's challenges by offering the emotional and behavioral health support they need. We are a collaborative network of child therapists, psychiatrists, PMHNPs, case managers, school staff, community partners and other mental health professionals working toward a common goal. Together, we provide a positive environment for kids and their families to find health, hope and happiness.

#### Responsibilities

- In addition to conducting Individual and Family Therapy, duties and opportunities may include conducting Diagnostic/Comprehensive Assessments and Group Therapy.
- Positions may be school-based, office-based and/or community-based, but likely to include services in each of these settings.
- Populations served may range from early childhood to transition-aged adolescent and young adults with a wide range of diagnoses and presenting problems.
- Flexibility to work after school and evenings (some evening hours are required to accommodate family schedules and ensure family involvement in services).
- Other duties, as assigned.

## Skill and Experience

- Experience/skill or willingness to obtain skills in working with a variety of special populations which may include early childhood, traumatized and victimized children & youth, transition-aged adolescents, youth with sexual behavior problems, chronic & severely emotionally/behaviorally impaired youth.
- Ability to engage a wide range of clients and caregivers, including those from diverse populations, and those uncertain about the value and/or necessity of MH services.
- Ability to work effectively with other professionals both within and outside the mental health profession.
- Experience/skill or willingness to obtain skills in applicable modalities and interventions, including, but not limited to, evidenced-based /evidenced-informed practices as required.
- Training and practice experience that is “trauma-informed”, modalities such as Trauma–focused CBT, Motivational Interviewing, DBT, DINA and Incredible Years (for early childhood populations), and others matched to our population are valuable.
- Must be culturally competent and willing to work with clients and families within various and diverse populations.

## Qualifications

Licensed in the state of Ohio to provide assessment and therapy via the Ohio Counselor, Social Worker, and Marriage and Family Therapist Board, or the Ohio Board of Psychology. Must possess at least a Master’s Degree(s) in Counseling, Social Work, or the equivalent.
