Are you passionate about serving youth and families with mental health needs? Are you looking to make a meaningful difference in your community? Would you like to work for an award-winning, nationally recognized behavioral health and rehabilitation organization? If so, leading our group of eager and talented case managers might be a great fit for you!

**Our Company Culture and Benefits Set Us Apart!** Regardless of your role at Coleman Health Services, your work makes a lasting impact on those we serve. When you join our team, you become part of a collaborative community of dedicated professionals whose primary mission is to improve the lives of our clients.

**Key Duties of the Director of Crisis Stabilization Unit include:**

- Providing clinical and administrative supervision to Crisis Stabilization Unit staff
- Providing direct care as needed to clients
- Hiring/recruitment of staff
- Schedule coordination for staff
- Supervising tasks relating to medication monitoring and administration
- Care coordination with outpatient treatment team providers
- On-call consultation regarding medication issues for admitted clients
- Review admissions/discharges to the CSU

**Minimum Qualifications of Director of Crisis Stabilization Unit:**

- RN, LISW, LPCC licensure
- 3+ years' experience working in mental health and substance abuse

**Preferred Qualifications of Director of Crisis Stabilization Unit:**

- RN license
- 3+ years of supervision/management experience in mental health, substance use, or crisis care

Benefits options include health, life, pension, paid time off, and more. Qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, sexual orientation, gender identity, disability or protected veteran status. E.O.E. Persons with a disability can request an accommodation to complete the application process by emailing [careers@colemanservices.org](mailto:careers@colemanservices.org) with the subject line "Accommodation Request."
