

**PSYCHOLOGICAL AUTOPSY INVESTIGATOR  
FULL TIME  
STARK**

Coleman Health Services is a nationally recognized not-for-profit provider of behavioral health and rehabilitation programs to foster recovery, build independence, and change destinies for individuals, families, and businesses in our community. We are seeking a Psychological Autopsy Investigator to join our Crisis Services Team.

The Psychological Autopsy Investigator will conduct Psychological Autopsies on Stark County residents whose cause of death is suicide or expected suicide. The autopsies involve a systemic, scientific investigation into a deceased person's cognitive, psychological, emotional, spiritual, and social state prior to death. The Psychological Autopsy Investigator will conduct face to face interviews with family, friends, and other collaterals as a part of the Psychological Autopsy; therefore, strong engagement skills are essential to the position. In addition, the ideal candidate would have strong analytical, verbal, and clinical skills.

Candidate must have a Master's degree and be an LPC or LSW, NPI number, and Medicaid number. Prefer someone with LPCC or LISW and CAQH account. In addition, the candidate must have and maintain an excellent driving record.

Benefits options include health, life, pension, paid time off, and more. Qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, sexual orientation, gender identity, disability or protected veteran status. E.O.E. Persons with a disability can request an accommodation to complete the application process by emailing [careers@colemanservices.org](mailto:careers@colemanservices.org) with the subject line "Accommodation Request."
