- Practical and creative problem solving skills.

Description of Position Include: As a member of our team, you will have the opportunity to be a part of an organization that provides emotional and behavioral health services to help children, teens and families successfully meet life's challenges. A flexible environment aimed at positive impact by helping to remove or reduce barriers to health, hope and happiness. A collaborative network of therapists, case managers, school staff, community partners and other mental health professionals working toward a common goal. A unique opportunity for the right individual who desires to be part of an innovative therapeutic mental health program.

Job Duties/Description: Conduct Individual and Family Therapy, Diagnostic/Mental Health Assessment, Group Therapy, and Mental Health Consultation. Position will be predominantly agency-based. Populations served may range from early childhood to transition-aged adolescent and young adults with a wide range of diagnoses and presenting problems.

Salary Range: Will vary based on education, experience and skills

Hours: Salary Exempt, full-time position

Location: Canton, Ohio
