

# Psychiatric Nurse Practitioner

Real-world impact. Life-changing outcomes.

CommQuest is currently seeking a **Full-Time and Part-Time Certified Nurse Practitioner** to provide services to provide Addiction Recovery and Mental Health treatment for CommQuest Services in Massillon and Canton.

## In this role, you will:

- Share CommQuest's mission
- Build valuable relationships with clients, visitors, volunteers, and staff
- Be an ambassador for our services and a critical member of the team
- Make a real difference addressing the mental health needs in our community

## What is CommQuest?

CommQuest Services is one of the largest non-profit mental health, addiction recovery, and social services organizations in Northeast Ohio, working with clients from more than 34 counties in 12 facilities through more than 20 programs. We help people make positive changes in their lives through in-patient, outpatient and school-based programs, along with supportive services - from basic needs to employment assistance.

Are you interested in CommQuest, but don't see a job you are interested in right now? Send us your story, resume and qualifications to [HR@commquest.org](mailto:HR@commquest.org).

## What you gain:

- **Relationships** within the organization and in the region
- **Visibility** into how our community supports those in need
- **Opportunities** to share your expertise
- **Peace of mind** knowing you are benefiting the clients we serve and the community at large

## Responsibilities:

- Provides patient assessment, diagnosis, and treatment plans in accordance with statutes, regulations, and protocols regulating the profession.
- Provides psychiatric health services, education, counseling and emotional support.
- Oversee and monitor psychotropic medications, including medication used as part of the MAT model of care for substance use detox
- Orders laboratory tests, interprets and explains the test results to patients.
- Provides patient education regarding medications, risks, benefits and reasonable outcome expectations.
- Communicates with patients and engages in follow-up as necessary.
- Performs other duties as assigned or required.

## Requirements:

- Master's Degree in Psychiatric Nursing or DNP from accredited College or University
- Minimum of 2 years of PMHNP prescribing experience

- Board certification as a PMHNP in Ohio
- DEA license with full prescriptive authority
- Previous experience working in substance use treatment/detox

**Full-Time Benefits:**

- Generous time off, including Mental Health days
- 10 paid holidays annually
- Retirement plan with company match
- Medical, Dental, and Vision plans
- CEU/Licensure reimbursement

and more!
