Position: Family Mental Health Therapist (MST), Social Worker
LSW/LISW & LPC/LPCC

- ✧ **Opportunity to earn up to an additional \$8,000 in bonuses!**
- ✧ **New Graduates Welcome!**

Overview

Now more than ever, mental and behavioral health care for kids is needed in our community. Child & Adolescent Behavioral Health is looking to meet the growing demands by hiring a full-time Family Mental Health Therapist (MST).

As a member of our team, you will help children, youth and families successfully meet life's challenges by offering the support they need. We are a collaborative network of child therapists, psychiatrists, PMHNPs, case managers, school staff, community partners and other mental health professionals working toward a common goal.

Together, we provide a positive environment for kids and their families to find health, hope and happiness.

We are looking for enthusiastic individuals to join one of the most innovative therapeutic mental health programs in Stark County. C&A is recognized by Zippia and The Cleveland Plain Dealer/cleveland.com as a Top Workplace in Stark County. We offer a compassionate, supportive, accountable work environment to help you grow your career, along with a comprehensive benefits package that includes generous and affordable medical, dental, life insurance, retirement, and paid time off.

Job Descriptions/Duties

Make a difference as a mental health therapist by providing family therapy to adolescents and their families. The position is specifically in the MST Program servicing clients in Stark County. MST (Multi-Systemic Therapy) is an evidence-based model that has been proven to be highly effective in changing the behaviors of youth and making lasting changes for families. MST is an intensive treatment, and services occur in the youth's home and community. Therapist work in teams with lots of opportunities for development of strong clinical skills through weekly supervision and quarterly meetings.

Along with achieving positive changes with your clients, there are many other great aspects to being an MST therapist:

- Flexible/Non-traditional schedule to meet your needs and your client's needs
- Therapists carry low caseloads of 4-6 clients to allow for flexibility and increased attention to families
- Strength based approach utilized to help families change quickly (treatment is 3-5 months)
- Provide therapy in youth's natural environment
- Engage family members in making positive changes with the youth at home, school, and with peers
- Work with a close knit and supportive teams of therapists
- Supervisor is available at all times for support
- Weekly group supervision to develop and support the therapist with weekly treatment goals
- Therapists are provided free CEU's with more than enough to renew your license every year

Qualifications

- Master's degree in Social Work or Counseling and possess LSW, LPC, LISW or LPCC
- Bachelor's level Licensed Social Workers with a strong history of clinical experience in mental health services may also apply

Why Child & Adolescent Behavioral Health
